

Saint Paul Lutheran - Mt. Prospect

**COMET
UNIVERSITY**

What will you major in this summer?

August 4th

Our summer at Comet University has just flown by. Can you believe that this is week #8 already? We have loved providing weekly content for our current Saint Paul families, and those that were new to Saint Paul.

On behalf of our Comet University staff, I'd like to say 'Thank You' for enjoying the summer with us. This was truly a labor of love for our teaching staff, and a great way for us to stay connected to the families. Did you know that you were receiving lessons from college degreed teachers FOR FREE? Our Saint Paul staff is full of teachers with bachelor degrees, master's degrees, specialty endorsements, and some even have administrative qualifications.

If you are not enrolled for our 2020 – 2021 school year, we'd love for you to consider Saint Paul as an option. We have a few openings in select grades, and would love to speak with you about our program. For more information, please call our school office at 847-255-6733.

There is still time to make a donation to the program. Here are directions for giving: please click on <https://bit.ly/donateCU>. Fill in your donation amount in the 'Saint Paul Lutheran School – Special Gift' category. On the second page, you will write in 'Comet University' in the category of 'gift designation'. Thank you.

If you get a chance to connect with our Saint Paul Facebook page, we are looking for photos of students in their Comet Virtual Summer t-shirts. If you post, you'll be eligible for some Comet themed prizes. Also, give our coaches, professors, and camp counselors a shout out to let them know how much you enjoyed their work.

May God bless the end of your summer,

Julia Heinz

Chancellor, Comet University
